Allow Pop-ups from this Site

Purpose: Pop-ups are used by the Student Information System (SIS) to present certain data. Generally users elect to have their pop-ups blocked. In order to see pop-ups in the SIS, users must add the site to their allowable sites.

Browser	Action
Mozilla Firefox	• Select **Tools, Options** from the top menu bar or the **Firefox** icon in the upper left corner •

Browser	Action
Internet Explorer	• Select **Tools, Pop-up Blocker, Pop-up Blocker Settings** from the menu bar or use the **Tools** drop-down menu in the upper right corner • Add ***.uni.edu** and click the **Allow** button (that's star dot UNI dot EDU
