

Report Tips – Enrollment by Curricula Year-Over-Year

Description: Displays major declaration counts college and department. This is a duplicated count of multiple declarations (first, second, third majors, etc.) as well as cross-listed programs. The data uses the Census snapshot, comparing th

Scroll down to see detail:

Tips:

- Hover over data labels to view percentage of total declarations
- Click a ring on the pinwheel chart to drill down
- Use the Show only links in the upper right to filter by *Grads* or *Undergrads*

Troubleshooting

- If you experience internet browser issues, try reloading the page (**F5** or **Refresh/Reload** button on the browser toolbar). You may also clear your internet cache (SHIFT+CONTROL+DELETE or Tools, Options).
- If you receive a message stating *Access is Restricted*, contact Institutional Research.
- My UNiVerse times out after 20 minutes, it may be necessary to click back on the **Reporting** tab to avoid the time out.
