

Requesting a Prospect Advisement Report

Purpose: A **Prospect Advisement Report** shows degree progress based on the courses the student proposes to take as well as including transfer credit. There are two parts to the procedure:

1. Prior to requesting the report, “Program What-If” data must be entered. Add the student to the Student Group – ADPM.
2. Request the Prospect Advisement Report.

Setting up Program What If Data

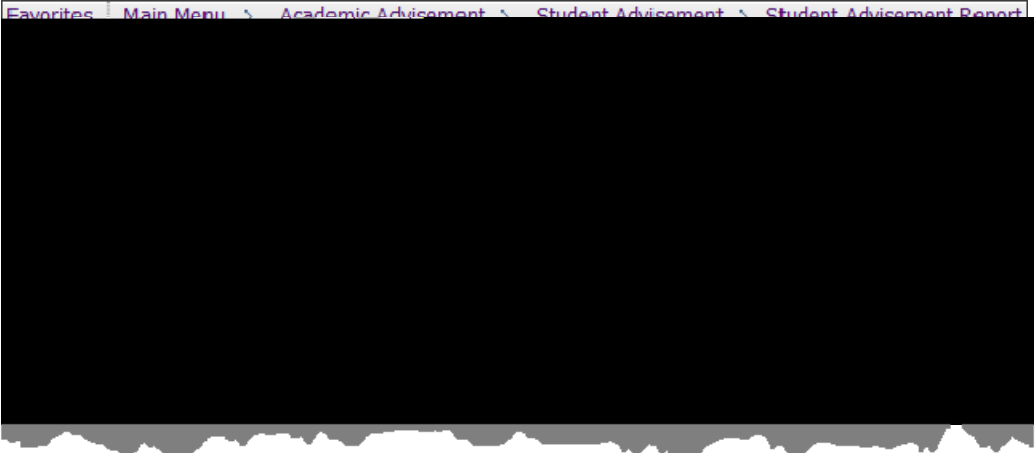

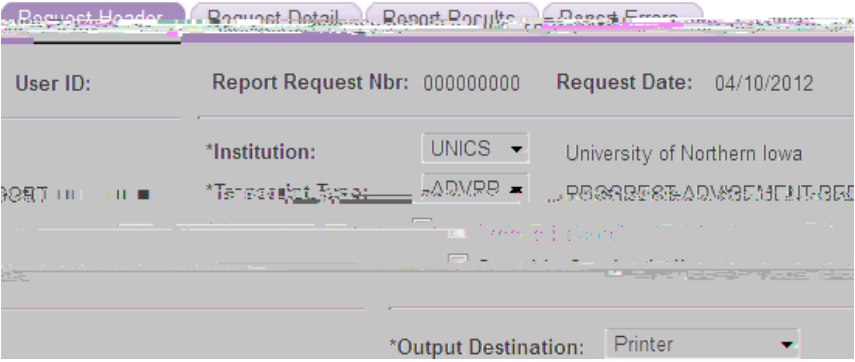

Tip: Before you begin, review the student’s **program & plan** on their current application. This information must be consistent with the What If data.

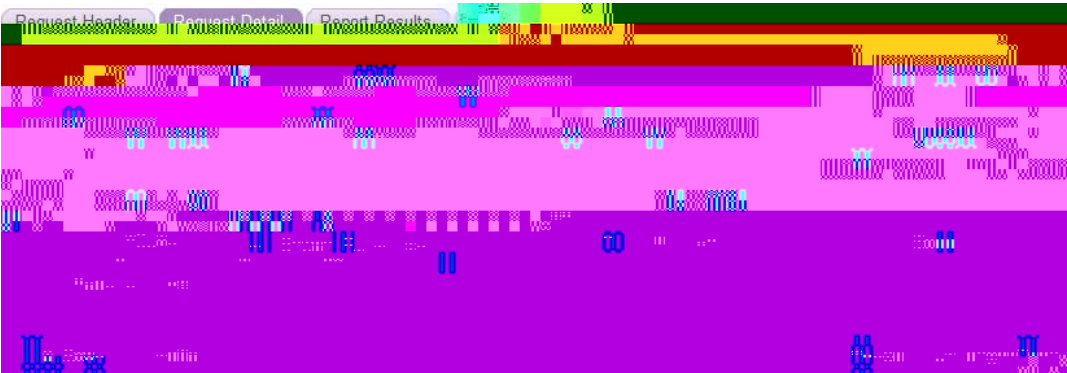

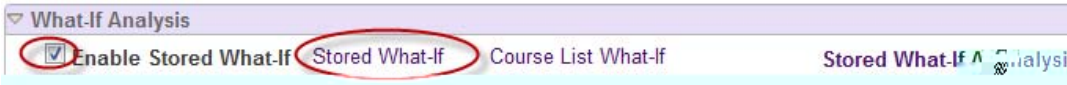

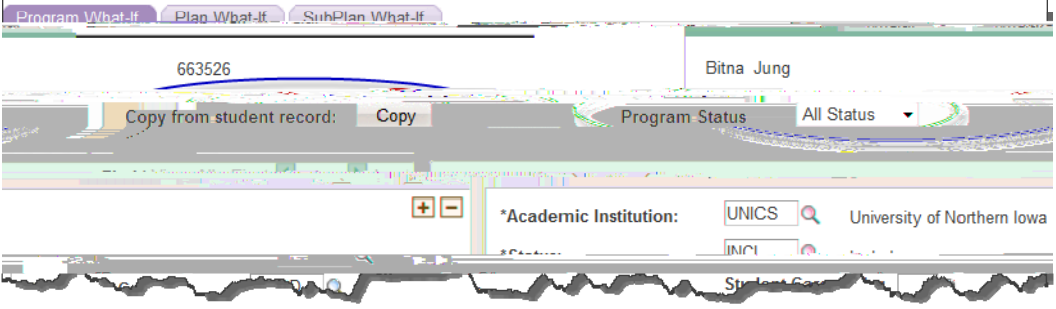

Step	Action
1.	Navigate to the Set Up What If Data page. Main Menu > Academic Advisement > Student Advisement > Set Up What If Data 
2.	Click the Add New Value tab 
3.	Enter student ID and click the Add button.

Step	Action
5.	<p>Click the <i>Plan What-If</i> tab. Complete the following:</p> <p>Requirement Term – Enter as appropriate (<i>Admit term from application</i>) Academic Plan – Enter or select as appropriate (<i>same as application</i>) Plan Sequence – The first plan defaults to 10. Additional plans are sequenced by ten (e.g. 10, 20, 30) Advisement Status – Select <i>Include</i></p>  <p>Note: Use the Add Row button  to add additional plans.</p>
6.	<p>Click the Save button. </p>
7.	<p>Add the student to the Student Group ADPM (Prematric ADVPM Report Values).</p> <p>Navigate to: Main Menu > Student Admissions > Application Entry > Academic Information > Student Groups Select ADPM in the Student Group field Select <i>today's date</i> as the Effective Date Select <i>Active</i> in the Status field Click the Save button</p> <p>Note: Putting the student in the ADPM student group will remove some requirements currently set up on the residency academic requirement. You may request the report without putting the student in the student group however; you will then see the residency academic requirement.</p>
